Because of You
Lyrics and Music by Paul Oakley

Verse 1:

```
C                        C/B                     Am7          C
There's a place where the streets shine with the glory of the Lamb.

                       C/B              Am7               C
There's a way, we can go there, we can live there beyond time.
```

Bridge:

```
            G               C
Because of You, because of You, because of Your love, because of Your blood.
```

Verse 2:

```
C                      C/B      Am7                         C
No more pain, no more sadness, no more suff'ring, no more tears,

                      C/B          Am7                C
no more sin, no more sickness, no injustice, no more death.
```

(Repeat Bridge)

Chorus:

```
C       F                        C
All our sins are washed away and we can live forever.

G7                               C
Now we have this hope because of You.

          F                          C
Oh, we'll see You face to face and we will dance together

       G7                            C
in the city of our God, because of You.
```

Verse 3:

```
C                   C/B                  Am7                    C
There'll be joy everlasting, there'll be gladness, there'll be peace,

                      C/B                 Am7                C
there'll be wine ever flowing, there's a wedding, there's a feast.
```

(Repeat Bridge and Chorus)
