

Grace Flows Down

Lyrics and Music by David Bell, Louie Giglio and Rod Pagaent

D            Bm G2                            Asus A  
Amazing grace, how sweet the sound;

D            Bm G2                            Asus A  
amazing love, now flowing down

G                            Asus A                            D            D/C#            Bm A  
from hands and feet        that were nailed to the tree

G                            Asus                            A        D  
as grace flows down and cov - ers me.

D            G2 Asus A                            G2 Asus  
It covers me,            it covers me,

A            G2 Asus A                            D2 Bm G2 Asus A D  
it covers me,            and covers me.
