Take Us to the River
Lyrics and Music by Robin Mark

Verse 1:

```
D                                        G            D
 Take us to the river; take us there in unity to sing

D                                                 G                  A
 a song of Your salvation to win this genera - tion for our King,

A                        G                        D          D/F#        G
 a song of Your forgive - ness, for it is with grace that river flows.

G                   D                 A           D
 Take us to the ri - ver in the city of our God.
```

Verse 2:

```
D                                               G                     D
 Take us to Your throne room. Give us ears to hear the cry of heav - en,

D                                             G              A
 for that cry is mercy, mercy to the fall - en sons of man:

A                   G                         D        D/F#         G
 for mercy has tri - umphed, triumphed over judgment by the blood.

G                       D                A           D
 Take us to the throne room in the city of our God.
```

Chorus:

```
D        G             A                       Bm
 For the Spirit of the Sovereign Lord is up - on us;

G           D           Asus
this is the year of the Lord.

D        G             A                       Bm
 For the Spirit of the Sovereign Lord is up - on us;

G           D           Asus
this is the year of the Lord.
```

Verse 3:

```
D                                               G                    D
 And take us to the mountain; lift us in the shadow of Your hands.

D                                                          G                  A
 Is this Your mighty angel who stands astride the o - cean and the land?

A                          G                  D       D/F#         G
 For in His hand Your mer - cy showers on a dry and barren place.

G                     D                 A           D
 Take us to the moun - tain in the city of our God.
