Dear Friends:

*Mike and Becky Ingole, Whipping Post Ministries (**Isaiah 53:5**), will be leading a medical mission team the first week of May to the country of Haiti. We are excited to announce that the person sending you this letter is one of the team members who will be ministering alongside us.*

As you know, in January 2010, Haiti, the poorest nation in the Western Hemisphere, suffered a devastating 7.0 earthquake. Since we first saw the graphic images of the destruction left by this earthquake, we have felt a call from the Lord to help the people of Haiti in some way. At first we knew we would be of no use on the ground in Haiti, but now is the appointed time for us to help and we are praying you would like to join us in helping!

The team will be staying and working with Reverend Benite Jeune, Haitian national and Gospel Crusade Ministerial Fellowship associate. We will begin our medical clinics by giving check-ups to 600 students at a Gospel Crusade school. Another clinic will be held for the 400 members of Pastor Jeune's church. Then our team will go to local villages until we have no more medicine to give. It's going to be a very busy and wonderful week!

During our time in Haiti, there will also be many opportunities for members of our team to minister the love of Jesus Christ in local churches, schools, and on the street. We are so blessed to have these team members covenant together with us to help bring complete healing to the nations.

*We are asking that you also covenant with us by financially supporting the person who sent you this letter. We are certain you will be planting seed in **good ground** and you will reap a **great harvest!** Your check can be written to **Whipping Post Ministries** and sent to the above address. Make sure you note your team member's name on the memo line of your check. All contributions are tax-deductible and will be used for the glory of God!*

Thank you in advance for not only your financial support, but your prayer support for this mission.

Sincerely,

Mike and Becky Ingole
